of Correction

Dear Sir:

Enclosed for filing is the following:

- Certificate of Correction

It will be apparent from an examination of the enclosed Certificate of Correction that the error to the Abstract is grammatical in that the word "out" has been omitted and that the error in Column 6 is also grammatical. The error occurring in Column 1 is the fault of the Office failing to print the entire prior history of this patent, which is reflected in a preliminary amendment filed with the application and acknowledged on the Filing Receipt.
